DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 4/13/09 is not fully responsive to the prior Office Action because of the cancellation of the previous claims and addition of the new claims. The new claims are directed towards the different subject matter that was not presented in the originally examined claims.

For example, new claims require determining which one of the M chaotic signal generators generated the chaotic signal.

See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
